## SwanCap is pleased to announce the final closing of Swan IV above target

Luxembourg, August 2020

**SwanCap is pleased to announce that our latest co-investment fund Private Equity Co-Investment Opportunities Fund IV ("Swan IV") has held its oversubscribed final close and has attracted aggregated commitments north of €300 million.**

With more than €1 billion of aggregated equity invested in over 90 direct co-investment transactions combined with a market-leading and consistent track record, SwanCap is one of Europe's most active and successful players in this sought-after private equity investment segment. The Fund thereby continues to leverage the vast experience of our platform and the differentiated sourcing capabilities of our dedicated co-investment team across Europe and North America creating access to the most compelling investment opportunities in partnership with top-tier private equity sponsors.

Since inception of the Fund, the SwanCap team has already invested in various high-quality assets building a well-diversified portfolio of market-leading companies across sectors, geographies and strategies providing investors with attractive risk-adjusted returns. Going forward the SwanCap team will enhance and complement this well-balanced investment portfolio based on its highly selective, diligent and disciplined investment approach.

On behalf of the SwanCap team, we like to thank all our investors and partners for the trust and the confidence you put in us.
